Explanation of Gold Rush Events on back of flyer!!

Gold Rush Pairs and Teams:

Two new events are coming to the Winter Holiday Regional. We're calling them the *Gold Rush Pairs and Gold Rush Teams* because they give newer players unprecedented opportunities to earn gold points in pairs and team events. Players will earn gold points by either placing 1st in their sections or by finishing in the overall awards in the **two** session events in the "B" stratification.

Two things make this event unique.

First is that it is "strati-flighted". That means that all players who enter and have masterpoints above the "B" stratification play in their own sections and win their awards separately.

The second is that the "B" stratification is set with a masterpoint limit of 750. In all other pairs events at the Regional, "B" is 750 to 2000 masterpoints.

Have fun and good luck to all!
